Dear Parents of IMPACT Youth,

We have a lot of exciting events and programs planned for the students of IMPACT Youth. In an attempt to make it all memorable, we plan on taking pictures and video footage of our events. We will use these pictures and videos on promotional material and on our website (www.wfa.org/impact) and our Facebook page frequently.

Having that in mind, we want to be as professional and careful as possible when it comes to your children, and that is the reason for this form. In our changing culture, we want to make sure that we have parental permission when it comes to photography and video footage of your child at any of our events as IMPACT Youth.

Please take the time simply fill out the information below, detach the bottom portion, and then please return it to me as soon as possible. Should you have any questions regarding this matter, please feel free to contact me at anytime. Thank you!

God Bless,

Pastor Eric Spanier
